

SENIOR Brag Sheet

In order to do the best job we can in describing your positive qualities and traits in our college recommendations for you, we want to know as much about you the person as we can. Besides being able to discuss your academic and extra-curricular achievements, we want to be able to discuss the attributes that make you unique. We also want to know about the experiences that are most meaningful to you. Please answer the following questions as thoroughly and as accurately as possible.

Name: _____

1. List 4 adjectives that describe you best: _____, _____,

2. List 2 adjectives that your friends would use to describe you:

3. Have you read any books on your own in the past year? Which ones?
4. What accomplishments are you proudest of in your life?
5. What about yourself would you most like to personally improve, develop or change?
6. Are there any personal circumstances that have affected your performance in the classroom?
7. Is your academic record a true measure of your ability & your potential? If not what is?
8. If you were writing your own letter of recommendation, what would you say? What would you like me to include? (at least 3 sentences)
